• UNESCO
• Global Geopark

Visiting points

A visit in the Geopark is a journey through ages, in the history of Earth and the story of Man.

We welcome you in 6 visiting points:

- „Balauri, Dragons, Dinosaurs” Exhibition in Hateg,
- Science and Art House in General Berthelot
- House of Volcanoes in Densuş
- House of Dwarf Dinosaurs and
- House of Traditions in Sânpetru
- House of Stones in Ohaba Sibişel

Trails

You can explore Hateg Country by foot and by bike . Fascinating places and interesting people await you everywhere.

The Geopark recommends 4 trails:

- Valley of Dinosaurs
- Trail of Volcanoes
- History and Legends
- Nature and Traditions

Educational programs

Each of the Geopark's visiting points offers educational programs for children, adults and families.

Our programs give you the chance to learn through games and experiments. The lost world of dinosaurs, rocks, minerals, volcanoes and plants awaits you.

You can also learn more about the customs, traditions and local myths from Hateg region.
